Lyle Frizzell

In Memory of

Marcia Eldora Dingman

August 13, 1903 - October 10, 1997

Marcia Eldora Dingman

August 13, 1903 – October 10, 1997

There are some people of our community who seem to have been here from the beginning of time- "Grammy D" or "Gram" was one of those people. Gram and her family moved to Stark in the summer of 1937 and settled in the home that is now the River Bend Farm, the home of the Joyce family today.

Grammy Ds' life began in Pittsburg, New Hampshire on August 13, 1903 and ended in Stark on October 10, 1997. During all those years, for nearly a century, she was witness to many dramatic changes in the American lifestyle. She saw the passing of the horse and wagon, kerosene lamp, outhouse, cast iron cook stove, and she entered the technological age of the train, car (Grammy D got her drivers' license in 1969 at the age of 66), airplane, telephone, electric lighting, indoor plumbing and central heating. Oh, so many changes to have lived in a lifetime – the list is endless. It was these changes and life experiences, which molded her early in life to what Gram was to become in her adult life – a most humble and generous person.

When able, Grammy D was baking cakes, cookies, donuts or perhaps loaves of bread to give to her friends and family or just to have on hand for snacks for the kids who came into her home. As always, Gram wanted to have goodies for a lunch or after a long evening of cards (Seventy-Three and Pitch) with friends and family.

Here was a true lady. Gram was the icon for individual and family values. Honesty guided her in life and she expected those around her to be equally honest. Her home was always open (she never locked her doors at night when retiring to bed) to friends and neighbors. Grammy Ds' home was the focal point for numerous family gatherings of her children, grandchildren, great-grandchildren and great-great-grandchildren. Her wealth was not in money or material things but in mind, soul, and personal integrity. Grammy D epitomized all those things which were good and she enjoyed sharing and giving whatever she had in order to make life better for someone else.

For six decades, Grammy D was a valued citizen of the Town of Stark. The roots of our community are truly connected to people like her forever – a citizen who not only served as a role model for kin but also for community members at large.

Everett R. Frizzell,
Grandson

TABLE OF CONTENTS

Did you know that in June , 1973 Stark experienced an earthquake that registered 4.5 on the Richter Scale?

LETTER FROM THE SELECTMEN

Citizens and Taxpayers:

In our overall plan to improve all the Town's roads we were determined to finish the new construction on Plain and Paris Roads with new pavement and sealing. We then developed an impact plan for Emerson Road. Because much of the traffic on Emerson Road is generated from gravel and wood operations, we contacted Robert Kidder, Carroll Concrete, Pike Industries, Division of Forest and Lands and Cloutier Sand & Gravel to see if they were willing to cost share or donate towards road improvement. All parties were very willing to donate. Emerson Road was reconstructed from the state line to Moulton Bridge. Brad Sargent donated his time and effort to survey and give us a plan to follow. We will pave this section in 1998.

The Paris Road Bridge Project was started with construction to begin in the summer of 1998.

We also passed an ordinance for management of septage and sludge that regulated the process of spreading in Stark.

Tipping fees for our solid waste will be going up dramatically as of January 1, 1999. This came about as a result of the administration change from James River to Crown Vantage.

As a result of a severe rainstorm in July we ripped Northside Road in the area of Molly Brook.

The Town Hall has been repainted and is looking much better.

We hired Larry Gray to replace and repair our culverts this year. In addition to the routine culverts, he placed a culvert extension on Roberts Brook and replaced the large culvert in front of Clifford's house.

Dean Peel resigned as Transfer Station Manager. He did an excellent job. George Bennett has replaced him.

Franklin Platt was appointed FEMA director replacing Lloyd Nolan. He has been very active pursuing help for emergency services.

We would like to express our thanks to our Town employees for another year of exceptional services. Thanks also to the citizens who donate their time and effort which makes our town an exceptional one to live in.

Board of Selectmen

CERTIFICATE

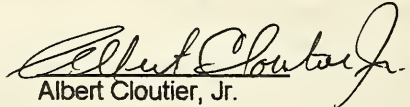

For the year ending December 31, 1997

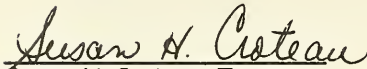

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

Total Exemptions			\$ <u>-235,000</u>
 Net Valuation			 \$ 20,211,590

At one time, Stark was divided into 15 school districts and separate schools were planned for each district. Fortunately, not all the schools were actually built. Just think what maintaining 15 schools would do to the tax rate!

Utility Relocation	\$ <u>5,000.00</u>
Total Cost	\$ 275,000.00

The actual cost of bridge construction from the Town of Stark

Dated: March 6, 1996 through July 14, 1997

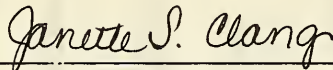

Engineering (Provan & Lorber, Inc.)	\$ 51,939.98
Borings	\$ 700.00
Advertisement and road signs	\$ 326.75
Rights-of-Way (Cloutier Sand & Gravel)	\$ 9,521.50
Construction (Gordon T. Burke & Son)	\$ 140,915.72
Bridge (Dopp & Dopp)	\$ <u>38,820.00</u>
Total Cost	\$ 242,223.95

Did you know Stark and Percy didn't have electricity until 1939? Six more years would pass before the Crystal area had electricity. When Crystal was added, its service came from Berlin because Berlin was closer than Lancaster. To this day Public Service in Berlin serves customers in eastern Stark while Lancaster covers the rest of the Town.

**TOWN CLERKS REPORT
DECEMBER 31 1997**

Auto Permits Issued	\$	47657.50
Title Fees	\$	180.00

FROM THE TAX COLLECTOR'S DESK

All in all, 1997 went pretty well. By year's end, we had collected 81% of the taxes levied for the year. Only one property went to deed—a house on Northside Road. The new owners are living there and have done a great job of breathing new life into this virtually abandoned property.

As in previous years, I attended the Tax Collectors Spring Workshop and the New Hampshire State Tax Collectors Convention. These two events provide wonderful opportunities to learn from both the Department of Revenue experts and other tax collectors. I also attended a very interesting seminar on violence in the workplace. This was particularly informative and timely since it took place quite soon after the shootings in Colebrook. Three to four times a year our tax collection software provider, Avitar Associates of New Hampshire, holds user workshops for the collectors using their system. These workshops are especially useful in that they provide an opportunity for input directly from the users. Avitar has improved and added many features as a result of these sessions.

It continues to be a pleasure to serve as your Tax Collector and please feel free to contact me anytime I can be of help.

Jo Ann Platt
Tax Collector

Do you know who was married in the last wedding performed at Holy Angels Church in Percy?

Answer: Donald Croteau and Madeleine Gallant. The church was torn down in 1972.

VILLAGE LIBRARY

The Library has been opened 2-3 hours each week throughout the year. We are working on getting the donated computer operational (with Lise's help).

There are a number of new books available, lots of old favorites and several editions pertaining to this area's history.

This year will see the purchase of videos, a variety of educational and/or historical for both adults and children; classics and new releases. Also, we will have a hand-railing installed for the steps and walkway.

Ending Balance December 31, 1996	\$432.32
Revenue:	
Annual Appropriation	<u>\$500.00</u>
Total Revenues	\$932.32
Expenses:	
Librarian Salary	<u>\$250.00</u>
Ending Balance December 31, 1997	\$682.32

INDEPENDENT AUDITORS' REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Stark
Stark, New Hampshire 03582

We have audited the accompanying general purpose financial statements and the combining and individual fund financial statements of the Town of Stark, New Hampshire as of, and for the year ended December 31, 1996, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As is the practice with many New Hampshire municipalities, the Town of Stark, New Hampshire has not maintained a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, except that the omission of the general fixed asset account group results in an incomplete presentation as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Stark, New Hampshire as of December 31, 1996, and the results of its operations and cash flows of its similar trust fund types for the year then ended in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the

Board of Selectmen
Town of Stark

individual funds of the Town of Stark, New Hampshire as of December 31, 1996, and the results of operations of such funds and the cash flows of nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining and individual fund financial statements. The accompanying financial information listed as the supplemental schedule in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Stark, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose, combining, and individual fund financial statements and, in our opinion, is fairly presented in all material respects in relation to the financial statements of each of the respective individual funds taken as a whole.

Very truly yours,

Francis J. Dineen, C.P.A.

OFFICE MANAGER

I want to thank the citizens for their help and their encouragement throughout the year. Without you my job would not be worthwhile. I so enjoy working for you and helping you any way I can.

Thank you Doris Boivin, John Pepau, Sr., Madeleine and Dennis Croteau and Lyle Frizzell for the beautiful photographs you submitted for the *Photo Contest*. It was a very difficult decision to make; all the photos were impressive. "Congratulations Lyle."

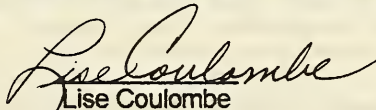

Thank you Dean Peel for your suggestion of *Short Stories and Poems* to be used as fillers for the Town Report. Thank you Dennis Faulkenham, Jr., Jo Ann Platt and Dean Peel for submitting your wonderful words.

The Town of Stark is in a good financial position. The fund equity for 1997 was \$119,837. The management of our Town funds is exceptional. We need to try a little harder to generate more revenue. There are options that can be investigated, with a little time. Something I don't have a lot of lately.

Gravel Taxation is a new law that went into effect January, 1998. It is an expensive way to generate a little revenue. The first step would be to assess all gravel pits in the Town at commercial rates. We could hire Avitar Assoc., but Avitar's prices are a little costly: \$500 per gravel pit. At last count we had six active gravel pits. Then the gravel pits need to be monitored. It is possible to generate some income, but we will have to expend more than we would receive. Over time this will be a reliable taxation.

I hope you enjoy this year's Annual Report. If you have any suggestions, please let me know. I thought a timeline would be interesting (I could use all the help I can get).

"If you have the time to look up facts, the
Town Hall has the facts that go back in time"

Lise Coulombe
Office Manager

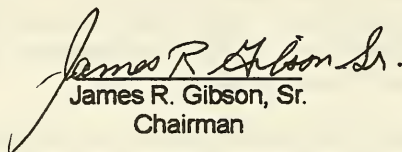

PLANNING BOARD

The Stark Planning Board had a busy year. We had two major subdivisions: One was with James River Corporation on Emerson Road, the other one was with Jerry Cloutier on Stark Highway (old Shannon place). We had one minor subdivision for Everett Frizzell.

We had an application for a new gravel pit and applications for renewal of two gravel pit permits (Kidder and Drouin).

The Board decided after a lot of discussion that all new and renewed pits would have to be bonded.

The Board needs more members and alternates.

James R. Gibson, Sr.
Chairman

HOW STARK WAS NAMED

(Fiction)

A long time ago a group of people came to Stark. It had no name. It was just another piece of land. All the people started a town. There were about 100 people counting the kids. They never named the new town until two years later. They were going to make a map of their town and at that moment they found out that their town had no name. So they tried to think of one. They came up with Farming Town, Cookville, Book Country and Holy Town, but none of them worked. So they took the most important people in their town. The first letter in their name went into the name of the town. They made it organized from the most important person down. They were the Mayor, Priest, Sheriff, Doctor and Teacher. Their names were Sherman, Tom, Alfred, Randy and Kate. Then the town had its name STARK.

The End

FIRE DEPARTMENT

Fire Department Log

0	Auto accidents
1	Sparks from an incinerator ignited a dead tree
2	Auto fire
1	Chimney fire
1	Hazardous material spill-chemical: quick lime
1	Grass fire
1	Tree on powerlines
1	Person trapped under a trailer of firewood
1	House Fire
1	False rail road car fire
2	Mutual Aid calls to Milan
2	Mutual Aid calls to Groveton

Mack Pumper

We took the Mack Pumper to Larry Dingee's in Cornish, NH to have bodywork done; he replaced the rusted steel tank with a new poly-tank. There was also a complete paint job done to the truck. Now we have a nice looking truck that should last us for quite a few years.

New Addition

In February the Fire Department bought a 1969 Mack Pumper very similar in shape and style as our other Mack Pumper. This one has a diesel engine and a larger pump. We would like to make a pumper tanker out of this piece of equipment. The Milan Airport gave us a 2000 gal. stainless steel tank to put on this pumper. We used this pumper while the other one was getting refurbished.

Radios

The Fire Dept. also bought four Motorola GP350, 16 channel portable radios.

Dry Hydrant

We installed two cement tanks in the river bank at the school with pipes coming up out of them so that we can hook up to them and fill our tankers. This also prevents rocks and sand from getting into the tanker. It makes it much easier to get water in the winter. We would like to thank Albert Cloutier, Jr. for donating his time, equipment and material for this much needed project.

Training

The Society for the Protection of NH Forests asked us to burn the "Goodwin" house, located across the railroad tracks from Dean Peel's house. We had training on hose-lines, nozzles, tanker shuttle, pumper and self-contained breathing apparatus. Our Warden and Deputy Wardens attended training on "Fire Behavior" at Northern Regional Headquarters in Lancaster. Nine men attended a "Mock Explosion Drill" at Wausau Papers with Groveton Fire Dept., Groveton, Stratford and Whitefield ambulance personnel. Groveton Fire Dept. also had a two-part training on the use of "The Jaws of Life", a hydraulic tool used in extricating people from wrecked autos. Then we used this training in actually cutting up wrecked cars. White Mountain Hell Drivers supplied the cars and men to do head-on and rollover maneuvers so that we could get hands-on experience.

Clean Up

Two individuals in Town had buildings torn down and bulldozed. The Fire Dept. then burned the piles of debris.

NEW FIRE STATION

We have waited until the Bond for the School addition was paid off before we go to the townspeople to ask them for another bond issue to build a new fire station. We are also going to get the pipeline with added tax dollars. The members of the Fire Dept. feel that next year may be a good time to ask for a new fire station.

This year at Town Meeting we will have a sketch of the building that we would like to have. There will be a discussion period to get the sentiments of the townspeople to see how they feel about the building. We hope to have the support of the townspeople next year.

John Pepau, Jr.
Fireman

POLICE DEPARTMENT

Having served as Chief of this Department since March 1982, it is time for me to step down.

I would like to thank all the residents of Stark who have been very supportive of me in the last sixteen years.

A special "thank you" to Donald Croteau, Bill Joyce and Fred Benway for all their assistance and to my family for all the inconveniences they have encountered over the years.

Complaints

Breaking and Entering	17
Dogs	22
Domestic	3
Fire Calls	3
Miscellaneous	11
Motor Vehicles	3
Motor Vehicle Accidents	9
Stolen Property	10
Vandalism	15
911 Calls	10
Vehicle Collisions-Deer/Moose	7

This Department had four court cases in Lancaster Court.

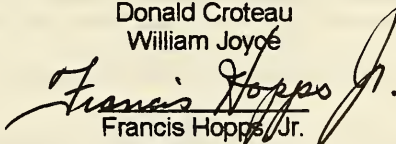

The Department covered the Fiddlers' Contest, Fall Festival and one funeral.

Classes Attended:

Criminal Investigation
Domestic Violence
Motor Vehicle Accident Investigation
Firearms and Qualifying with a gun

Special Police Officers:

Donald Croteau
William Joyce

Francis Hopps Jr.
Constable

Emergency Management Report

Emergency management is becoming increasingly important as a means to protect people and property from injury and economic disaster. Even here in remote, rural Stark, the risks of a major disaster are increasingly likely. Damaging storms and floods happen more often. A serious earthquake or hurricane is considered possible. More hazardous materials are coming through town by rail and truck. Power and telephone outages are happening more often and may be prolonged. And, unfortunately, violence is spreading into New Hampshire.

So far, we've been lucky. We've had few if any injuries, little property damage and not much loss of income. But we have spent a lot of money repairing flood-damaged roads, despite some aid from emergency management. However, our luck may not hold. Some expensive incidents could occur so it's worthwhile that we all plan ahead and prepare prudently. And this is the role of emergency management.

There are several booklets available on planning and preparation but here are some suggestions more likely suited to our local needs:

- Keep on hand a portable radio, good flashlights, at least two sets of extra batteries and some candles. Also helpful will be some oil lamps, a portable CB radio and extra dry and canned food. Check everything every six months, especially the batteries. Make sure everyone in your house knows where these things are, how to use them safely and that they're for emergency use only.
- If you have a wood stove or fireplace, reserve several days' supply of dry wood for an emergency. Make sure the stove, flue pipes and chimney are clean. (We all know this, yet every year chimney fires still happen.) Don't ever try to use a gas or charcoal grill indoors, even briefly or in a fireplace, or a portable heater unless it's labeled as approved for indoor use.
- If trouble comes, keep in touch with your neighbors and check frequently that they're okay. Let us know if you or anyone needs assistance. If it's a "life and limb" situation, call 911. Otherwise, call Town Hall. Let us know also of damage in your area. Many regional, county, state, federal and volunteer organizations can assist us once we know they are needed.
- If you or others can't stay at home, go to a relative or neighbor. Or go to a town hall or police station, who should know of shelters, meals and family assistance available. Let us know if your house is vacant, where you are and if you're okay.
- Be alert to reports of situations where you might lose power. Put plenty of water in clean containers for cooking and drinking. Also fill a bath tub or any large container and ladle this into a toilet to flush it. Once power's gone, you can drain down your hot water storage tank for more water.
- Use the telephone sparingly during any emergency and keep your calls brief. Emergency personnel need the phones and the system may not be able to handle very many other calls. Even though you have electrical power, the phone system may be running on batteries.

Call me or the Selectmen with any questions.

Franklin Platt Emergency Management Dir.

CEMETERIES

First I'd like to thank the citizens of Stark who have commented on how well the cemeteries have been maintained.

At first glance, it appears the Sexton went over budget. This is not as it seems because the Town recouped funds from an auto insurance company to reimburse the expenses incurred when a pick-up truck crashed in the Percy Cemetery. This accident caused extensive damage to the grounds and several monuments.

A lot of brush has been removed from the cemeteries and much more remains to be removed. Fallen stones were reset and epoxy glue will be used in 1998 to repair broken monuments. Weather conditions caused more mowing to be required than in recent previous years.

Carl D. Coulombe
Sexton

NEXT YEAR

To be a gardener is to be an optimist. We always think that *next year* will be perfect; that we won't experience any of the previous year's problems and we'll do everything exactly right. My own annual exercise in delusion goes something like this:

Next year...

I won't buy more plants than I have space for.

I will *finish* all the projects I planned during the winter.

I will remember to fertilize *on schedule*.

It will rain so regularly that I won't have to do any watering.

I won't have any bad bugs.

We'll have an early spring.

We'll have a late fall.

I won't have any weeds.

And maybe, *just maybe*, next year there won't be as many black flies!

By: Jo Ann Platt

TRANSFER STATION

Within the past year or so, the station has undergone a transition to a different methodology from its inception due to circumstances none of us had been prepared for. It is hoped, as your new manager, that this facility will operate with the same concern for the public interest and efficiency as it has in the past. As you know, only minimum cooperation is necessary to make it work for both of us.

The past year was relatively routine (with the exception of, oops, a grass fire during a brush burn last spring) until this fall at which time we initiated a new textile recycling program through the auspices of the Androscoggin Valley Regional Refuse Disposal District. How successful this new venture becomes depends upon the amount of textile goods collected. For our part, response has been good with approximately 800 lbs. received by the end of the year. This product reaches both the well-established rag market and direct re-use. That much less for the compactor. Future programs concerning electronics and some plastics are being considered. We shall see.

Other activities of note include the construction of a burn for fire containment of the "wood pile", and the re-activation of the original waste oil collection shed. A fire extinguisher has also been installed adjacent to the bulletin board within the paper bay.

For those of you who like numbers, we transported approximately ninety (90) loads of recyclables with our "one ton" to the material recycling facility (MRF) near Berlin which credited us with nearly \$1800 toward our membership in AVRDD (see above). We also received a net return of \$90.00 for approx. twenty (20) tons of scrap metal (well, it just sits there). On the debit side, approx. eight (8) tons of bulky waste from the open top container were removed at a cost of \$1107. Compacted waste totaled 116 tons for eleven (11) loads at an all-inclusive average cost of \$467 per load. This figure will rise dramatically for 1999 due to a 110% increase cost per ton for dumping fees at landfill. Needless to say, greater concern for sorting will be in our interest.

Being of the mind that communication is the best catalyst for getting things done, different notices will be passed out from time to time with new information, updates, etc. regarding operations. The boys from Concord cooked up a new "do's and don'ts" cake last fall that we'll have to take some bits from in the not too distant future. Innovations at district level AVRDD and those originating here keep us abreast of the ever growing development of recycling. With this increasing involvement, any ideas and/or questions will be welcomed. Please comment.

I am pleased at this time to have this public forum for extending my appreciation to Everett Frizzell, James Eich, and Albert Cloutier, Jr. for offering me the opportunity to

serve the town. Special thanks, also, goes to Lise Coulombe and Dean Peel. Their combined efforts by both deed and word have been most helpful.

Finally, I thank all those kind souls out there that put things in the right place. But, for you bad guys, caution, there is a surprise awaiting you this spring.

REMEMBER

Please Remove Your Tops!
(No one 'ell see ya)

George Bennett
Transfer Station Manager

SNOW

Snow falling, oh so light, 'tis not even in darkest night.
Midday, 'tis at high noon, snowflakes were lifting themselves, not to swoon.
Snow falling, sometimes up; gray as fog, as thick as soup,
billowing before the wind constantly changing direction without end.
So laying, all so light, everything blinded by its sight. New thoughts of birth begin,
older thoughts starting at the end.
Snow flying by so fast, how could nature make them last?
Each an individual as they grow this could be a human, I do not know.
Humans are not snowflakes falling from the sky, each one different,
of that no one can deny. All have a mind of our own of what we are
About, till in the spring or winter we melt.

**SCHOOL WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of Stark,
New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet in the Stark
Village School in said district on Tuesday, March 10,
1998, at 9:00 o'clock in the forenoon to act upon the
subjects hereinafter mentioned. The polls will be
opened at said place and date from 9:00 o'clock in the
forenoon for the reception of your ballots under the
non-partisan ballot system. Polls will not close before
7:00 o'clock in the evening.

1. To choose by non-partisan ballot the following
district officers for the ensuing year: a
district clerk, a district treasurer; a
district moderator for the ensuing two years;
and one member of the school board for the
ensuing three years.

Given under our hands at Stark this 19th day of
February, 1998.

SCHOOL
BOARD

**SCHOOL WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of Stark, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet in the Stark Village School in said district on Tuesday, March 10, 1998, at 3:30 o'clock in the afternoon to act upon the subjects hereinafter mentioned. The matters of appropriations and such other business properly coming before said meeting will be taken up for your consideration and action.

1. To hear reports of agents, auditors, committees, or officers heretofore chosen and any vote relating thereto.
2. To see if the district will vote to accept the provisions of the Federal and State School Lunch Program and to appropriate such funds as may be available to the district under said program. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such programs.
3. To see if the district will authorize the school board to make application for, to receive and expend in the name of the district such advances, grants-in-aid, or other funds for the educational purposes as may now or hereafter be forthcoming from the State, Federal or other governmental unit or from private sources which become available during the fiscal year.
4. To see if the school district will vote to raise and appropriate up to the sum of Three Thousand Dollars (\$3,000.00) to be added to the previously established Capital Reserve Fund for Education of the Handicapped, this sum will be taken from surplus in the 1997-98 operating budget; furthermore, to authorize the school board as agents to determine when such funds may be expended (pursuant to the provisions of RSA 35:1-b). The school board recommends this appropriation.

5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district.
6. To transact any other business that may lawfully come before said meeting.

Given under our hands at Stark this 19th day of February, 1998.

Grzelak and Company, P.C.
P.O. Box 8
Laconia, New Hampshire 03247

To the Board
Stark School District
Stark, New Hampshire

We have audited the accompanying general-purpose financial statements of the Stark School District as of and for the year ended June 30, 1997, as listed in the table of contents. These general-purpose financial statements are the responsibility of the Stark School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Stark School District as of June 30, 1997, and the results of its operations

for the year then ended in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Stark School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

Grzelak and Company, P.C., CPA's
Laconia, New Hampshire

RIGHTS OF PARENTS OR GUARDIANS

As the parent or guardian of a child who may require or who is receiving special education and/or related services, you have the following rights:

*You have the right to have access to and examine all records relating to your child's education.

*You have a right to receive prior written notice whenever the local education agency proposes to begin or change the special educational referral, evaluation and/or education placement of your child. You also have a right to give your written consent before initial special education placement and before any individual evaluation of your child.

*You have a right to question any matter, decision, or recommendation relating to your child's referral, evaluation or educational placement.

*You have a right to request an independent educational evaluation obtained by the local educational agency. If your request is accepted, the evaluation will be conducted by a certified or licensed professional examiner who is independent of the local educational agency and will be performed at no cost to you. Should your request be denied, you have a right to appeal this decision as described below.

*If you have any complaints regarding the referral, evaluation or educational placement of your child, you have a right to meet with the school board. If any agreement is unable to be reached, you have the right to an impartial hearing conducted by a state appointed due process hearing officer.

*At this hearing, you have the right to be assisted by person(s) with special knowledge or training, or by an attorney, and the right to present evidence and confront, cross-examine and compel the attendance of witnesses.

*After this hearing, you have the right to a written or electronic verbatim recording of such hearing. You have the right to obtain written findings of fact and decisions of the hearing at no cost.

*If the decision of the impartial hearings at the local level is not acceptable to you, you have the right to appeal this decision to the State Board of Education or Civil Court.

*During any of the hearing or appeal procedures, your child shall remain in the current education program, or if applying for initial admission to the public school, shall be placed in a regular program until all proceedings have been completed, unless you and the school officials agree otherwise.

Title IX of the Education Amendments of 1972
Public Law 92-318

Subpart A, Section 86.8 of Title IX requires public notification that the Stark School District does not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age or handicapping condition under the provisions of Title IV of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; and the Education of All Handicapped Children Act of 1975. The Stark School District hereby notifies students, parents, employees, and residents that complaints and grievances for noncompliance with any of the provisions of Title IX are to be referred to:

Robert C. Mills
Title IX Hearing Officer
SAU #58
8 Preble Street
Groveton, NH 03582
Tel. 1-603-636-1437

NON-DISCRIMINATION POLICY
SECTION 504 OF THE REHABILITATION
ACT OF 1973

Applicants for admission and employment, students, parents, employees, sources of referral, and all unions or professional organizations holding collective bargaining or professional agreements with School Administrative Unit No. 58 are hereby notified that the districts of SAU #58 do not discriminate on the basis of race, color, national origin, gender, age, or disability in admission or access to, or treatment or employment in, their programs and activities.

Any person having inquiries regarding the compliance of School Administrative Unit No. 58 with the regulations of implementing Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act is directed to contact:

Kathleen Marshall
Section 504 Coordinator
SAU #58
8 Preble Street
Groveton, NH 03582
Tel. 1-603-636-1437

**STARK SCHOOL DISTRICT
MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS
1997-98**

We have been fortunate to be able to expand computer availability to the students of the Stark Village School through donations from Public Service Company of New Hampshire and the United States Department of Education. A lab of ten computers has been set up in the multi-purpose room to make it available to all grades. Computer literacy has become a basic skill, even at the elementary school level, and the donation of this equipment has made it possible to give more students hands-on experience.

The New Hampshire Educational Improvement and Assessment Program tests for the end-of-grades 3, 6, and 10 will be conducted between May 11 and 22, 1998. The results will not be available to us until the fall. When parents receive the results of their student's assessment, they should contact the teacher if they have questions or would like to discuss the results. I would like to remind parents that, although this assessment is required by the Department of Education, it is only one method of assessment, and it does not give a complete picture of your student. While the assessment scores do give us valuable information, those scores should only be used with several other types of evaluations before drawing any conclusions.

I would encourage anyone who has the opportunity to participate in a school activity at the Stark Village School to attend. I have been invited to Thanksgiving dinner each year, and I have thoroughly enjoyed the atmosphere. One advantage that small schools have is being able to conduct activities as an entire school and still achieve some feeling of closeness. It is a feeling that cannot be duplicated in larger schools and should be appreciated while we still have it.

Respectfully submitted,

Robert C. Mills
Superintendent of Schools

**STARK VILLAGE SCHOOL
PRINCIPAL'S REPORT
1997-98**

The 1997-98 school year is continuing to move along at a rapid pace. As it has been in the past years, our major goal is to improve the quality of education while making the educational experience a wholesome and pleasant one for all our students in a safe and caring atmosphere.

The returning faculty/staff are Annetta McGinnis, grades one/two; Nancy Spaulding, grades three/four; Charles Witters, principal and grades five/six; Cheryl Cloutier, art; Donna Church, speech pathologist; Jeannine Astle, Title I tutor; Cinda Wentworth, paraprofessional; Cindy Boivin, classroom aide; Judy Fortier, food service/volunteer library aide; and Bob Fysh, bus driver.

We have two new staff members this year. Kristin Henry is our new kindergarten/special education teacher, and Kelley Lund-Goller is our new guidance counselor.

As I mentioned in last year's report, it continues to be a real pleasure and privilege working with the teachers, staff, students, parents, superintendent, school board, and the wonderful community members of Stark. You certainly can be proud of your students and school. My goal is to have the Stark Village School continue to be a safe, caring place, where students will learn the academics as well as the skills necessary to live in our society and the 21st century. The entire staff is absolutely marvelous, and each individual member is striving to see this goal fulfilled.

Because of our students, we wanted to make the Stark Village School an even more positive place, so we instituted various programs such as a monitor system, instrumental music for grades 4-6, Reading Buddies, honor roll and high honor roll, Fun Friday, etc.

The "Volunteers for Kids" program is in its fifth year and continues to do an excellent job supporting the teachers throughout the year. This group, once again, took on the traditional Thanksgiving dinner under the leadership of Sue Fogg, chairperson, and the superb cooking of Judy Fortier, as well as being aided by students, faculty, staff, community members, and businesses. The individual volunteers help out in many other ways such as party moms, pizza-run moms/dads, typing, doing arts/crafts, etc. THANK YOU ALL SO MUCH!

The entire school had a wonderful day-long trip to the seacoast this fall. The students and faculty gathered food for the food shelf in Groveton at Thanksgiving. We participated in the Page's Book Fair. With our participation, we will be able to increase our library collection. We are in the process of participating in the St. Jude's Math-a-thon.

In the fall, Debbie Boivin headed up a major fundraiser for the school, which paid for five weeks of ice skating at the Notre Dame Arena in Berlin. Ice skating enhances the physical education program. There were enough funds at the end of the program for a meal at the Fortune Cookie in Gorham. Many thanks to parents, students, friends, and community members for helping in all of the fundraisers.

We are all looking forward to an excellent second semester at the Stark Village School. Many neat things are happening. Please come and visit the school.

Respectfully submitted,

Charles R. Witters, Jr.
Principal

**STARK VILLAGE SCHOOL
VOLUNTEERS FOR KIDS REPORT
1997-98**

Our group is now in its fifth year of volunteering at the Stark Village School. This program continues to provide support to the staff through projects such as typing, photocopying, fundraising, delivering pizzas, and chaperoning trips. This March marks the fourth year we have organized a raffle. The purpose of this raffle is to raise funds for programs/activities which will directly benefit our school children. As in the past, all families with students in the Stark School District are asked to sell ten raffle tickets. Tickets are \$5.00 each for a chance to win one of three prizes. First prize is a \$500.00 gift certificate at Clarkeies Market (grocery store), second prize is a \$250.00 gift certificate at Emerson & Son, Inc., and third prize is a \$100.00 gift certificate for #2 fuel oil from the distributor of your choice. Over the past year, proceeds from this raffle funded three scholarships which were awarded at Groveton High School, a donation was made to the Stark sixth grade class to help cover costs associated with their graduation ceremony, and students in grades K-4 have been attending a Kinderkonzerts program. We appreciate any help you may be able to give to support our raffle.

To all of you who have volunteered at our school, we extend a sincere thank you. If you're interested in volunteering, don't hesitate to contact the school.

Respectfully submitted,

Susan Y. Fogg
Chairperson

GRADE PLACEMENT CHART
(As of September 1997)

Grade	K	1	2	3	4	5	6	Total
Kristin Henry	8							8
Annetta McGinnis		9	12					21
Nancy Spaulding				8	7			15
Charles Witters						7	11	18
	8	9	12	8	7	7	11	62

JUNIOR HIGH SCHOOL

Kristi Adam	Clifford Reitsma
Matthew Ball	Carissa Rogers
Daniel Boivin	Travis Russell
Shane Cloutier	Tanisha Shannon
Joel Cote	Anthony Tendler
Dennis Faulkenham, Jr.	Moriah Vinyard
Joshua Judson	Naomi Wolin
Chad Pepau	
Danelis Rastonis	

HIGH SCHOOL

Hillary Andritz	Catrina Lachance
D.J. Boivin	Jennifer Lunn
Ricky Boivin	Bryan Mason
Gabrielle Brown	Stephanie Minichiello
Paul Brown	Jill Normand
Christina Coulombe	David Pelchat
Jamie Croteau	Chris Pepau
Mary Kate Daley	Elisha Reitsma
Matthew Eich	Angelique Rogers
Rebecca Fogg	Jarod Rogers
Bobbi-Jo Fysh	Shauna Sargent
Clifton Fysh	Bradley Shedd
